

# STUDENT RIGHT TO KNOW 2022-2023

**RETENTION RATE:** Retention rates measure the percentage of first-time students who completed their studies within the reporting period. The cohort retention rates reflect students enrolled between 7/1/2022 and 6/31/2023 who completed or were still enrolled on 10/31/2023. All programs.

**16/19= 84%**

**PLACEMENT RATE:** Hot Springs Beauty College tracks employment obtained by graduates within the beauty industry for positions including, but not limited to, stylists, estheticians, nail technicians, salon managers and retail sales. These placement rates are based on the number of 2020 graduates that were eligible for and obtained employment within the beauty industry by 11/30/2023.

**Cosmetology:** 90.90%

**Esthetics:** We did not teach the program in this cohort year, therefore no data is available.

**Instructor:** 100%

**Manicuring:** 100%

**GRADUATION RATE:** To calculate the completion rate, the School identifies a cohort of students each year and reviews the performance of that cohort over time, not to exceed one- and one-half times the normal course length. Hot Springs Beauty College used a year cohort of students who started on or after 7/1/2022 through 6/31/2023 and graduated within 150% of their normal course length. *Only first- time, full-time certificate seeking students are included in the calculation.*
